Dear Barry,

Thanks for your copy of the decisions of the Provincial Council - They will be brought to the attention of our Committee & members.

I enclose a brief report of our last meeting. Next time we may have something more to say.

I also enclose particulars of expenditure (9/6) in connection with the meeting. Kindly return postage book.

We shall be having a Committee meeting soon. I shall let you know if anything you ought to hear about happens.

Yours sincerely
